

A MESSAGE FROM OUR CEO

As spring comes into focus and the world seems to sit back and take a break, we know you are still dedicated to protecting and serving our community 24/7. It's because of heroes like you that we can all enjoy ourselves while you look out for us.

That's why it's our mission to serve and provide you with whatever resources you need along the way. Offering services that support our firefighters, former firefighters, and their family members is what drives us. You help us when we need it, so we want to help you where we can.

Thank you for all that you do for our community - we are inspired by your dedication! We hope your spring is filled with family, fun, and some downtime.

CELEBRATE MEMORIAL DAY WITH A LOW-BUDGET BBQ

Every year on Memorial Day, we gather together to honor those brave men and women who didn't make it home from war. One way we celebrate the accomplishments and lives of the ones we love is with a meal. It's the perfect time to share memories and find strength in each other.

Though budgets are tighter, it doesn't mean your BBQ needs to be smaller. Try these tips to make your Memorial Day event worthy of the day without breaking your budget:

- Host a potluck so that the cost is shared
- Use decorations you already have
- Don't overspend on your meat dish
- Make extra food so that you have leftovers for the week

The most important thing aside from excellent food is the time you spend with your loved ones and friends. To us, community is everything. We wish you a memorable Memorial Day!
